NOTICE TO EXHIBITORS

Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations in the current Exhibitors Handbook and agree to abide by all rules in effect at the time of the trial. A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: www.nadac.com. Exhibitors may request a hardcopy of the current Exhibitors Handbook by sending \$5.00 to: North American Dog Agility Council, POB 1206, Colbert, OK 74733; info@nadac.com

Dogs must be registered and have a valid registration number before entries will be accepted. You can register your dog online at www.nadac.com and receive a registration number immediately

The Current Jump Height Table, Breed Exemption List, description of classes, levels, and divisions are included in the current Exhibitors Handbook.

All obstacles conform to current NADAC specifications as listed at www.nadac.com.

THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care, custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site. In such case, no refund of fees paid will be made.

The organizing committee may refuse any entry on the basis expressly provided through NADAC rules and regulations or guidelines established by the NADAC board of directors. Anyone not currently in good standing with NADAC will not be allowed entry into the trial.

IMPORTANT! Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACagility@yahoo.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACagility@yahoo.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

Non-Jumping classes – Veteran or Disabled Handler: Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Vet Handler and receive 10% more standard course time. This option is for Vet/Disabled handlers in the non-jumping classes only. The Vet/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Vet/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.
